- 2:45 **Adjournment**

* Fatal Vision goggles are used as a "Life Skills" tool to educate about the use, responsibility, and consequences of alcohol. The main objective is to help our kids develop a healthy and safe lifestyle by making responsible and informed decisions. This program is used within the Cochise County Detention Center and Probation. Kids who are on a diversion plan and have been in trouble concerning the use of alcohol have to attend the "Fatal Vision" class along with community service.

“All Youth Can Succeed”
