Breakout Discussion

Discussion Questions

- How did you develop your Statewide data system?

- What do you feel could be improved about your Statewide data system?

- What advice do you have for new ND Coordinators to understand their Statewide data system and how data collection and quality can be improved?

- What techniques have you taken to build a relationship with your ED*Facts* coordinator(s)?

- What strategies do you and your subgrantees take to collecting after-exit data?

- How do you build the capacity of subgrantees and facilities?
